- St. Maurice's Parent Teacher Guild (PTG) offers many opportunities for parents, other family members and teachers to work together on behalf of our children.
- Your \$10 dues, along with the various PTG fundraising activities, provide many benefits and activities for all grade levels, and make up a significant part of the school's overall budget.

Please don't hesitate to contact any PTG Board Member for more information, or if you have any questions. Thanks for your support; we're all looking forward to a great year!
